Certain Frozen Warmwater Shrimp from Thailand; Preliminary Results of Antidumping Duty Administrative Review, Partial Rescission of Review, Preliminary Determination of No Shipments; 2012-2013

AGENCY: Enforcement and Compliance, formerly Import Administration, International Trade Administration, Department of Commerce

SUMMARY: The Department of Commerce (Department) is conducting an administrative review of the antidumping duty order on certain frozen warmwater shrimp (shrimp) from Thailand.<sup>1</sup> The review covers 159<sup>2</sup> producers/exporters of the subject merchandise. The period of review (POR) is February 1, 2012, through January 31, 2013.

The Department is examining the following exporters/producers on an individual basis: Thai Union Frozen Products Public Co., Ltd. and Thai Union Seafood Co., Ltd. (collectively, Thai Union) for the period February 1, 2012, through April 22, 2012; the Pakfood Group<sup>3</sup> for the period February 1, 2012, through April 22, 2012; and Thai Union/Pakfood for the period April 23, 2012 through January 31, 2013.<sup>4</sup> We preliminarily determined that sales to the United States

<sup>1</sup> The deadline for the preliminary results of this review was March 17, 2014. Due to the closure of the Federal Government in Washington, DC on March 17, 2014, the Department reached this determination on the next business day (i.e., March 18, 2014). See Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended, 70 FR 24533 (May 10, 2005).

<sup>2</sup> This figure does not include two companies for which the Department is rescinding the administrative review.

<sup>3</sup> The Pakfood Group includes the following companies: Pakfood Public Company Limited, Okeanos Co. Ltd., Okeanos Food Co., Ltd., Asia Pacific (Thailand) Co., Ltd., Chaophraya Cold Storage Co. Ltd., and Takzin Samut Co. Ltd. (collectively, Pakfood).

<sup>4</sup> In this review, the Department determined to treat the Pakfood Group as a collapsed entity with Thai Union, effective as of April 23, 2012. See the memorandum from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant Secretary for Enforcement and

have been made below normal value (NV) and, therefore, are subject to antidumping duties. We also are rescinding this review with respect to Marine Gold Products Limited (Marine Gold) because the order with respect to shrimp produced and exported by this company was revoked effective February 1, 2012.

If these preliminary results are adopted in the final results of this review, we will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. Interested parties are invited to comment on these preliminary results.

Compliance, entitled, "Decision Memorandum for the Preliminary Results of the Administrative Review of the Antidumping Duty Order on Certain Frozen Warmwater Shrimp from Thailand," dated concurrently with these results (Preliminary Decision Memorandum), which is hereby adopted by this notice.

<sup>5</sup> For a complete description of the scope of the Order, see the Preliminary Decision Memorandum.

### Partial Rescission of Review

On July 16, 2013, the Department published its final results for the February 1, 2011, through January 31, 2012, administrative review of the antidumping duty order on shrimp from Thailand.<sup>6</sup> In that review, we found that Marine Gold met the requirements of revocation as described in 19 CFR 351.222(b)<sup>7</sup> and, thus, we revoked the antidumping duty order on shrimp from Thailand (Shrimp Order) with respect to subject merchandise produced and exported by Marine Gold. As a result of Marine Gold's revocation in the 2011-2012 administrative review, we are rescinding this administrative review with respect to Marine Gold because the merchandise produced and sold by Marine Gold is not subject to the Shrimp Order as of February 1, 2012.

Because we revoked the Shrimp Order with respect to subject merchandise produced and exported by Marine Gold, we instructed CBP that entries of such merchandise that were suspended on or after February 1, 2012, should be liquidated without regard to antidumping duties.

In addition, in the Shrimp AR7 Final Results, the Department determined that one non-selected respondent, Tanaya International Co., Ltd. (Tanaya) is neither an exporter nor a manufacturer of subject merchandise, as defined in 19 CFR 351.213(b), and, accordingly, we rescinded the review with respect to this entity. Consistent with our finding in the AR7 Final

<sup>7</sup> The Department modified the section of its regulations concerning the revocation of antidumping and countervailing duty orders in whole or in part, but that modification did not apply to the February 1, 2011, through January 31, 2012, administrative review. See Modification to Regulation Concerning the Revocation of Antidumping and Countervailing Duty Orders, 77 FR 29875 (May 21, 2012). The reference to 19 CFR 351.222(b) refers to the Department's regulations prior to the modification. The modification applies to the instant administrative review.

Results, and because Tanaya is not an interested party in this proceeding, we find our initiation with respect to Tanaya was improper, and we are rescinding this review with respect to this company.

#### Preliminary Determination of No Shipments

Among the companies under review, 13 companies properly filed statements reporting that they made no shipments of subject merchandise to the United States during the POR.<sup>8</sup> Based on the certifications submitted by all 13 of these companies and our analysis of CBP information, we preliminarily determine that the following 13 companies did not have any reviewable transactions during the POR:

- 1) Anglo-Siam Seafoods Co., Ltd.;
- 2) Daedong (Thailand) Co. Ltd.;
- 3) Grobest Frozen Foods Co., Ltd.;
- 4) GSE Lining Technology Co., Ltd.;
- 5) Leo Global Logistics Co., Ltd.;
- 6) Leo Transports;
- 7) Lucky Union Foods Co., Ltd.;
- 8) Namprick Maesri Ltd. Part.;
- 9) S.K. Foods (Thailand) Public Co. Limited;
- 10) Shing-Fu Seaproducts Development Co., Ltd.;
- 11) Surapon Nichirei Foods Co., Ltd.;
- 12) Thai Union Manufacturing ; and
- 13) V. Thai Food Product Co., Ltd.

In addition, the Department finds that it is not appropriate to preliminarily rescind the review with respect to these companies but, rather, to complete the review with respect to these companies and issue appropriate instructions to CBP based on the final results of this review.<sup>9</sup>

---

<sup>8</sup> For a full explanation of the Department's analysis, see the Preliminary Decision Memorandum.

<sup>9</sup> See Certain Frozen Warmwater Shrimp From Thailand: Preliminary Results of Antidumping Duty Administrative Review and Intent to Revoke the Order (In Part); 2011-2012, 78 FR 15686, 15687 (March 12, 2013), unchanged in Shrimp AR7 Final Results, 78 FR at 42498.

Finally, the Department received an improperly-filed no shipment certification from another Thai company involved in this review, CP Retailing and Marketing Co., Ltd., as well as an improperly-filed notification from an additional company, Thai Ocean Venture Co., Ltd., that it is not a producer/exporter. We find that there is insufficient evidence on the record of this review to conclude that these companies made no shipments of subject merchandise to the United States during the POR because they failed to remedy the procedural deficiencies in their submissions, in accordance with 19 CFR 351.303(g)(1), despite the Department's request that they do so, and thus their submissions were not accepted for the administrative record of this review. Therefore, we are continuing to include both CP Retailing and Marketing Co., Ltd. and Thai Ocean Venture Co., Ltd. in this administrative review, and we assigned these companies a preliminary dumping rate based on the margin calculated for Thai Union/Pakfood pursuant to section 735(c)(5)(A) of the Act.

#### Methodology

The Department conducted this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). Export price is calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (IA ACCESS). IA ACCESS is available to registered users at <http://iaaccess.trade.gov> and in the Central Records Unit, room 7046 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/index.html>. The

signed Preliminary Decision Memorandum and the electronic version of the Preliminary Decision Memorandum are identical in content.

### Preliminary Results of the Review

As a result of this review, we preliminarily determine that weighted-average dumping margins exist for the respondents for the period February 1, 2012, through January 31, 2013, as follows:

<sup>10</sup> This cash deposit rate is based on the combined sales of Thai Union and Pakfood after the companies were collapsed (i.e., sales made during the period April 23, 2012, through January 31, 2013). The rates calculated for Thai Union and Pakfood for the period February 1, 2012, through April 22, 2012, are zero percent and 2.09 percent, respectively. The calculations for the period February 1, 2012, through April 22, 2012, will be used for assessment purposes only, as noted in the “Collapsing of Thai Union and Pakfood” section of the Preliminary Decision Memorandum.

#### Assessment Rates

Upon completion of the administrative review, the Department shall determine, and CBP shall assess, antidumping duties on all appropriate entries, in accordance with 19 CFR 351.212(b)(1).

For entries of Thai Union/Pakfood's subject merchandise made from April 23, 2012, through January 31, 2013, we will calculate importer-specific ad valorem duty assessment rates based on the ratio of the total amount of antidumping duties calculated for the examined sales to the total entered value of the sales. See 19 CFR 351.212(b)(1). With respect to entries of subject merchandise by Thai Union and Pakfood prior to April 23, 2013, we will calculate importer-specific ad valorem duty assessment rates using the individual company information based on the same method noted above.

---

<sup>16</sup> See 19 CFR 351.310(c)

<sup>17</sup> See id.

<sup>18</sup> See id.

For the companies which were not selected for individual review, we will calculate an assessment rate based on the weighted-average of the cash deposit rate calculated for Thai Union/Pakfood.

We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review if any importer-specific assessment rate calculated in the final results of this review is above de minimis. Where either the respondent's weighted-average dumping margin is zero or de minimis, or an importer-specific rate is zero or de minimis, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.<sup>19</sup>

The Department clarified its "automatic assessment" regulation on May 6, 2003. This clarification will apply to entries of subject merchandise during the POR produced by Thai Union/Pakfood for which these companies did not know that the merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction. For a full discussion of this clarification, see Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties, 68 FR 23954 (May 6, 2003).

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review.

#### Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication

---

<sup>19</sup> See section 751(a)(2)(C) of the Act.

date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: 1) the cash deposit rate for each specific company listed above will be that established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, de minimis within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; 2) for previously reviewed or investigated companies not participating in this review, the cash deposit will continue to be the company-specific rate published for the most recently completed segment; 3) if the exporter is not a firm covered in this review, or the original less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent segment for the manufacturer of the merchandise; and 4) the cash deposit rate for all other manufacturers or exporters will continue to be 5.34 percent, the all-others rate made effective by the Section 129 Determination.<sup>20</sup> These deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.
